FOR YOUR
INFORMATION

LAW RELATED TO DIVORCE WHICH MAY BE OF INTEREST
BY MIRIAM MASON

In 1988, the legislature passed several new laws which dramatically changed parties' rights at the time of divorce. One of them delineated the criteria a trial court is to consider in making an equitable distribution (or division) of the marital assets and liabilities. It also defined what a marital asset and a non-marital asset is. It did not specify that marital assets are to be divided 50/50. In fact, the Statute gives the trial judge the authority to distribute between the parties the marital assets and liabilities in such proportion as is equitable. The problem continues to be that equitable is in the eyes of the beholder.

Tampa is within the Second District Court of Appeals. There are five district courts. Two Districts hold that the starting point in any equitable distribution should be 50/50 to each party. The Second District is not one of those two. This allows for greatly disparate rulings.

The new equitable distribution statute made an important change. It is now the law that if real estate is in joint names, it is presumed to be marital property. In other words, if you own real estate at the time of the marriage which you acquired through separate funds, and then put that property into joint names, there is a presumption that it is marital. Potentially, upon a divorce, your spouse would receive 50% of that asset which you acquired prior to the marriage.

After the court makes an equitable distribution, the court considers whether or not a party should receive alimony. There are various criteria for consideration, one of which is the adultery of either spouse and the circumstances thereof. Previously, it was only the adultery of the party seeking alimony that was an initial consideration. If a party sought alimony, the payor spouse could use as a defense the fact that the payee had committed adultery. This was usually the woman - but the man's adultery was not considered in the Statutes. Currently, either spouse's adultery is a permissible consideration. There have been no cases interpreting this new statute. Most lawyers believe that adultery will only be a real consideration if there are financial issues directly caused by or related to the adultery.

FOR YOUR
INFORMATION

In 1987, Florida legislated child support guidelines. this is a fill-in-the-blank formulation of child support. Income and deductions therefrom as delineated in the Statute are taken into account. The guidelines apply only to couples with a combined net income of \$50,000 or less. If the combined monthly available income was \$4,200, the total child support paid by both parties would be \$817; if \$500 it would be \$48. There is some movement to create alimony guidelines. There are various committees working on this now.

Margaret Miller has lots of travel plans! She's travelling to the Soviet Union this month to organize an exhibition of Soviet Realist paintings; will go to Belgium in May to lecture and organize an exhibition on contemporary Flemish art; in July will travel to Barcelona for the opening of "Made in Florida," an exhibition she organized of 22 Florida artists. The opening is scheduled for July 15, and Margaret invites Athena members to join the Florida delegation for the gala affair.

The Jan Abell/Kenneth Garcia Partnership was recently presented an Honor Award for Architectural Design by the Florida Central Chapter of The American Institute for Architects. The award was given for alterations and additions to a Winter Park residence described by the jury as "bold, playful, audacious, disorganized harmony...all executed with humor and gusto."

Leslie Stein was recently named Associate General Counsel-commercial & labor for GTE Telephone Operations/South Area. In her new assignment she will have responsibility for the overall supervision of legal activities affecting GTE's 9-state South Area in matters which relate to commercial, labor and general corporate activities. She will also be primary attorney for GTEDS (GTE Data Services Inc.).

Delia Sanchez recently received two awards for outstanding community service: the Dr. Martin Luther King Award from the Hillsborough County Martin Luther King Committee and the Community Service Award from the National Conference of Christians and Jews in Tampa.

Ann Leavengood Giles has been elected to the Board of Trustees of Berkeley Preparatory School.

Patti Breckenridge, associate editor of The Tampa Tribune, has been judged by the Florida Teaching Profession, an affiliate of the National Education Association, to have written the best editorial series on education in the state in 1989. The 10-part series, on last year's search for a new school superintendent in Hillsborough County, received the group's 1990 Newsmaker Award and was presented to Patti in Orlando earlier this month.

ATHENA MAKES
CHRISTMAS
BRIGHT FOR
LOCAL FAMILY

You may recall that at the December dinner meeting we announced that instead of having favors for members as in the past, the board had decided to use the funds to make Christmas brighter for a local family headed by a single (working) mother. A sumptuous feast and gifts were purchased for six children, a grandchild and the mom who wrote a long and enthusiastic letter last month. She asked that her appreciation be extended to Athena members: "These kind of things keep me going," she wrote. "There aren't enough words to thank all of you!"

USF GALA SET
FOR MARCH 10

Phyllis Marshall extends an invitation to all Athena members to attend a dinner/dance celebrating the opening of the University Center on Saturday, March 10. The gala affair is being presented by President & Mrs. Francis Borkowski and the USF Women's Club. Dinner will be held at 7:30 p.m. in the UC Ballroom; the ball, from 9 p.m. until midnight, in the Special Events Center. Cost is \$37.50 per person or \$75 per couple. RETREAT TO
BE IN JULY

Not too early to start thinking about the Retreat. It's scheduled for Friday through Sunday, July 20 - 22, at the Colony Beach in Sarasota. Theme will be "Fun in the 90's" and plenty will be planned!

Three Athena members soon will be leaving the area to pursue new careers:

Connie Keppel will depart March 2 for Washington, D.C. to join the corporate communications/public relations staff of Ringling Brothers Barnum & Bailey Circus.

About the same time, **Judie Taggart** will head to San Francisco "to seek my fortune." Intrigued by the weather and the sophistication of the area, she sold her house, gave her dog away and now just has to decide whether to drive or fly!

"As soon as my house sells," **B.J. McConnell** will head for St. Louis where she'll join the Research & Development Division of the Maritz Corporation, the nation's largest performance improvement corporation. She calls it "the opportunity of a lifetime!"

Pat Frank has thrown her hat into the ring with George Stuart's. A state senator from Orlando, Stuart will be the gubernatorial candidate and Pat will be his running mate.

Gay Culverhouse has been named Vice President of Administration for the Tampa Bay Bucs. As such, she'll oversee the club's business, PR, marketing and finance departments.

Ann McKeel Ross was recently commissioned a Kentucky Colonel by Governor Wallace Wilkinson for "her many accomplishments, her continued interest in and support of Western Kentucky University and unwavering loyalty to the Commonwealth of Kentucky."

Julia Sullivan Waters has been named a partner in Florida's largest law firm, Holland & Knight. A graduate of FSU's College of Law, Julia joined the firm as an associate in 1982.

CHRISTMAS
BUFFET HUGE
SUCCESS

A record 97 members and their guests attended the annual Christmas Buffet held Saturday evening, December 16, at the home of Dick and Pat Frank. As usual, the Hospitality Committee under the leadership of Alice Luckey (also, as usual) prepared a sumptuous feast. Pat's lovely Bayshore home was the perfect setting for wonderful holiday socializing. You missed a great one!

M'SHIP MAKES
DECISIONS ON
BOOK & CHOICE

A special meeting of the membership was noticed in accordance with the by-laws for October 16, 1989. Purpose of the meeting was to consider a motion to allocate an additional \$5,000 to pay Doris Weatherford, a professional writer, to write "the book". These funds were in addition to the amounts the membership had previously approved for research and publication costs. In addition, the notice also provided that the membership would consider a motion by Ellen Kimmel that Athena as an organization take an official pro choice position.

A quorum was not present at the special meeting and, therefore, the meeting was adjourned until November 2, 1989, the date of the next regularly scheduled membership meeting. A quorum was present at that meeting, a vote taken and the membership approved the allocation of an additional \$5,000 to pay Doris Weatherford to write the book. The book is to be aimed at a high school audience. It will cover women in Tampa from the earliest settlement to 1960, with an epilogue written in less detail for the era from 1960 to the present. The membership also approved Ellen Kimmel's motion that Athena take an official pro choice position.

Congratulations are in order for **Pat Frank** who is a new grandmother and oh so proud! **Courtney Collier Barnes Weber** was born to daughter **Hillary** on Nov. 21. She made her Athena debut - to the delight of a selected few - at the Christmas party Saturday night.

Another proud grandma is **Alice Luckey** whose daughter **Suzanne Currier** gave birth to a 10 lb. 4 oz. girl on December 14. Already looking like a two-month old, **Caroline Alice** is grandbaby #2. Doting aunt is, of course, **Gwynne Young**.

Belated congratulations to **Jan Platt** for being presented the Conservationist of the Year Award by the Florida Audubon Society last month. This very prestigious award goes to local government officials who, through their government positions, demonstrate the greatest concern for the protection of the environment, sound land use planning and growth management.

Our wishes for much happiness go to **Jan Abell** and **Jim Shelton** who married on November 19 and are currently on a delayed honeymoon.

Kem Toole has announced her candidacy for Circuit Court Judge in the September, 1990, election. She'd like the opportunity to meet the electorate by attending meetings where she could be introduced by an Athena member. If you are willing to help **Kem** in this area, please call her at 224-9255.

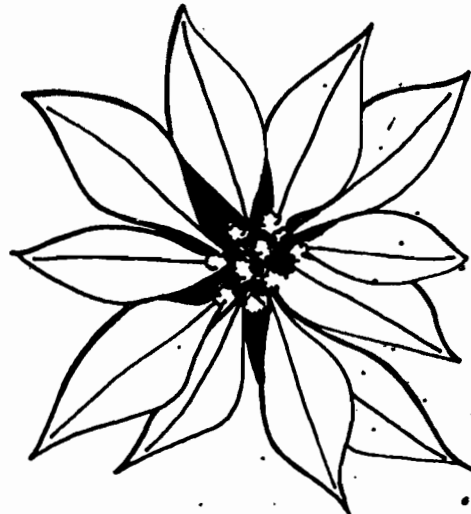

Susan Grady recently was named President of the Bay Area Association of Independent Schools. The organization includes schools which are members of the National Assn. of Independent Schools and encompasses those schools in four counties on the West Coast of Florida.

News from **Lee Blanton** in Gainesville: She's been invited to join the Law Review through the Open-Writing Competition in addition to joining the Trial Team, chosen by competition in mock trials. **Lee** writes she was surprised to find that some of her professors are younger than she is. All in all she's having a wonderful time!

Another recently departed member brought all her good news in person...to the Christmas buffet: **Judi Breuggeman** was in town for a few days and enjoyed seeing old friends. Those who missed her on Saturday may wish to write her at 906 Buena Vista, Tallahassee, 32304; phone - 222-8656 (H); 487-7900 (O).

BOARD MINUTES
The Tampa Club

August 29, 1989

Board met on Tuesday, August 29, at noon. Present: Jan Abell, Barbara Ann Blue, Susan Bucklew, Moira Burke, Connie Keppel, Carolyn Reed, Juel Smith, Kem Toole and Gwynne Young. Minutes of the previous meeting were approved as distributed.

Connie Keppel reported total funds on hand of \$43,610.36 with \$2,592.45 in the checking account and \$41,017.91 in the money market account. Dues have been paid by majority of members; 24 are past due. It was decided that a letter should be written to those 24 informing them they are delinquent and giving them a final cutoff date of September 15 for payment. Connie requested that committee chairs submit to her prior to the next board meeting a rough estimate of their committee's projected financial needs. She also reported that Athena's books for fiscal '88-'89 will be audited next month by Coopers & Lybrand.

It was brought to board's attention fact that two members of the membership committee have recently left the area (Judi Breuggeman and Lee Blanton) and therefore must be replaced. Susan Bucklew will meet with the Nominating Committee to make those selections.

Letters of resignation were read from Jeannette Sasmor (who has also left the area) and from Joyce Schaffer who is resigning because of business pressures. They will be written letters acknowledging their resignations and reminded that, should they wish to, they can re-apply for membership in the future.

Program Chair Moira Burke reported that, based on the survey results from the August luncheon, committee has decided on Sarasota area for the 1990 Retreat. Eleanor Hubbard was asked to check on availability of Long Boat Key Club and Colony Beach for the weekends of July 21 and July 28.

Regarding the Special Project, Gwynne Young reported that Susan Leisner has interviewed both Doris Wetherford and Judy London concerning writing of the book. On Friday a meeting will be held with Ann Henderson of the Florida Endowment of the Arts. Because her organization has published a number of books, she is in a position to review the information to help Athena determine if the costs projected are realistic for writing, printing, distributing, etc. Ann has mentioned that grants are frequently available for such projects, so this might be another consideration. When all the facts have been gathered and organized, they will be presented to the general membership for a decision.

Gwynne Young reviewed committee chair appointments: Nominating - Susan Bucklew; Bylaws - Julia Waters; Financial - Connie Keppel; Long Range Planning - Carolyn Reed; Hospitality - Alice Luckey; Special Project - Susan Leisner.

BRIEF ITEMS: Reviewed some member benefits, reiterating that they are not transferable to guests...Discussed need for stressing that while ratification of the ERA is not a current issue, prospective Athena members should still be supportive of the concept.

**RETREAT
REVIEW**

Speaking of the Retreat, it was great! Twenty-eight members enjoyed each others company from July 14-16 at the Ritz Carlton Hotel in Naples. We started with a pleasant stress-free bus ride (complete with food and refreshments for at least 3 times the number on board!). Saturday morning **Susan Dellinger** did a program based on her new book Psycho-Geometrics. VERY interesting and lots of fun. (Susan, incidentally, had just returned from a six-country speaking tour in Europe.) Sunday morning we had a business-type meeting with everyone having an opportunity to air their concerns - regarding Athena and/or the world. The remainder of the time was at leisure, and oh what a wonderful place for lesiure. Food was great, surroundings magnificent and service the BEST! Plan on coming next year.....

Lee Blanton has decided to return to the Univ. of Florida to complete her law degree. She has resigned from Dean Witter and will begin classes in Gainesville next month. Upon graduation in August of 1990, she plans to return to Tampa. We wish her well.

Kay Borkowski (flutist) recently performed with the Florida String Quartet in Sarasota and has just returned from Furman University where she taught for three weeks at the South Carolina Governor's School for the Arts.

Carolyn Reed and **Kem Toole** have wonderful stories to tell of their trip to Bangkok and Nepal - complete with whitewater raft trip and elephant rides.

Stephanie Ferrell recently graduated from the Greater Tampa Chamber's Leadership Tampa program. Selected from a field of 200, fifty people participated in this year's class. Stephanie was the first person in the ten-year history of the course to be selected from the historic preservation field.

Velma Monteiro-Tribble was recently invited by the Governor to chair an awards luncheon (A Salute to Florida Small and Minority Business) at the Mansion in Tallahassee. She also was invited with twenty other selected persons from around the state to have an informal luncheon discussion and make recommendations to Lee Atwater, Republican National Committee Chair, and Jeanie Austin, the Co-Chair.

Since the Tampa Club table for Athena members is not in operation during the summer, **Robin Krivanek** invites anyone who would like to lunch at the Cherokee Club to give her a call. But be warned, she notes, they'll have to hear about the wonders of Costa Rica!

Barbara Ann Blue will be leaving USF at the end of summer to develop her own company, Communications/Mediation Inc. (CMI), which will offer a broad range of communication consulting and mediation services. After announcing her decision, she made a 2-week trip to France and England with her niece followed by a week in the Bahamas with husband Jim.

Mickey Tagliarini has returned from a family celebration in Wisconsin and says if you haven't seen springtime there, you've missed some of the wonders of nature.

COST: Guests - \$15.00

Open meeting - Guests welcome!

After enjoying the unique cuisine for which Cafe Creole is known, we'll make the 10-minute walk to the Ritz Theatre to watch the Playmakers in excerpts from "Road to Mecca," 1988 winner of the New York Critics Circle Award. Written by Athol E. Fugard, it's a drama about an aging sculptress and explores the power of imagination.

Following approximately 20 minutes of performance, we'll have about 20 minutes of discussion time with the actors and the director. Those wishing to see the entire play will have an opportunity to purchase tickets for the evening of Friday, March 10, at a group rate for a minimum of 20 people - members and/or guests.

If you're at all interested in "local color," don't miss this evening. What a great way to begin the month: fine food, fellowship and a chance to enjoy historic, charming Ybor City.

We suggest you park your car in the lighted lot adjacent to the Cafe.

To reserve for dinner, return the enclosed card by Saturday, February 25, or call Eleanor Hubbard at 251-9172. Because the Cafe will determine the location of our private room by the size of the group, we urge you to meet this deadline or run the risk of not being seated with the group. Your immediate response will be much appreciated.

MISCELLANEOUS
INFORMATION

The number of mothers who work outside the home is growing, especially those with infants. In 1987 a record 52 percent of mothers with babies less than a year old were in the work force, according to the Bureau of Labor Statistics. That's up from 43 percent five years ago and 32 percent 10 years ago.

According to National Report on Work & Family, only 3,300 of the 6 million companies and organizations nationwide offer some kind of help with childcare. Of these, about 200 support childcare centers while the others offer information and referral services.

RECOMMENDED
READING

This month's book review is by **Mary Lou Harkness.**

Neon Flamingo by Matt and Bonnie Taylor. Dodd,
Mead, 1987.

For a change of pace, I recommend a book that has no redeeming social value - except entertainment. Neon Flamingo is by a former Tampa Tribune reporter and his wife who is also a journalist. The setting is Marlinsport, a thinly disguised Tampa.

Murder mystery aficionados (I know you're out there!) will enjoy a well-plotted story with an intricate but logical solution. However, the book should appeal especially to Tampa natives and others familiar with the city as they identify the settings and try to decide if any of the characters, unsavory or establishment (and sometimes both), are based on real people.

A lowkey romance between two reporters, one from the Marlinsport Tribune and the other from the New Seville Times, rounds out the story.

Jeanne Tate recommends Not Without My Daughter, a true story based on an American housewife's underground flight from Iran with her young daughter.

SUMMARY OF
BOARD MINUTES

Board met on Tuesday, Nov. 22. Present: Jan Abell, Susan Bucklew, Terry Cone, Connie Keppel, Phyllis Marshall, Nancy McDonald, Paddy Moses, Carolyn Reed, Barbara Reeves, Juel Smith and Gwynne Young.

Treasurer Connie Keppel reported funds on hand of \$38,928.78. She distributed first draft copies of a budget for 1988-89. She asked board members to review and be prepared for suggestions or comments at next meeting. She reported that Athena will soon file for non-profit status.

Terry Cone reported on progress of the 108-page book. She, Susan Bucklew, Connie Keppel and Eleanor Hubbard met recently to review the financial aspect of project. It appears that total cost of printing, publicity, etc. will be approximately \$13,500. (About \$3000 has been paid previously for research.) Terry indicated she will get bids from three printers and will give job to the one whose timetable meets hers. Production will take about two weeks. She feels confident book will be ready for the teacher workshops last week of January or first week of February. (The press conference for announcement of the project can be made either before or after these workshops.) Susan Bucklew emphasized need for being able to meet whatever deadline is announced to membership. It was decided that March 1 would allow ample time for completion; Terry said she was comfortable with that date. She expressed need for help in writing lesson plans and possibly in distributing to schools.

Budget did not include prize money for essay contest. Paddy Moses made motion that \$500 be included; second by Jan Abell. Before voting, concern was voiced that the PR value would be more meaningful if those funds were put into Young Women of Promise program. Everyone seemed to agree, so Paddy made motion to withdraw the proposal; second by Juel Smith...passed.

Membership Chair Carolyn Reed reviewed recommendation list mailed previously to board members. There were no changes. Nancy McDonald made motion that recommendations be approved; second by Gwynne Young...passed.

Program Chair Paddy Moses previewed plans for coming months. Mayor Sandy Freedman will speak in January; there will be a financial panel in February. March will probably be a night meeting at the Ritz Theatre in Ybor City.

Gwynne Young reported that USF childcare conference tentatively set for March has been postponed until Fall.

PROGRAM
SURVEY

Program VP Paddy Moses is very much interested in hearing your thoughts about the 1988-89 schedule. **If you didn't fill out a form at the June meeting or at the Retreat, please do so and return ASAP...one is enclosed.**

BOARD MINUTES

Board meeting held at Tampa Club on Tuesday, June 28. Attending: Jan Abell, Susan Bucklew, Connie Keppel, Phyllis Marshall, Nancy McDonald, Margaret Miller, Carolyn Reed, Juel Smith and Gwynne Young. Jan Abell made motion that minutes be approved as distributed; second by Phyllis Marshall...passed.

Susan Bucklew reported that Terry Cone plans to have the Special Project book finished in two weeks; it will take another 3-4 weeks for printing and then will be ready for distribution. A press conference in September is planned to coincide with the opening of school. Lee Blanton is working on the distribution aspect; Linda Goldstein, the PR. Costs have not yet been determined, but it is hoped that some can be recouped by sales in bookstores and through the Historical Society.

In the absence of Program Chair Paddy Moses, Eleanor Hubbard reported for her: that of those who completed the program survey at the June 2 meeting approximately 50% wanted more member-profile programs and 50% wanted more outside speakers. Paddy feels that to get a clearer picture, more response is needed, so the survey will be included in the next newsletter and at the Retreat. Board discussed possibility of having one major (well known) speaker during the year but will hold off on a decision until the current "special project" - the book - is completed. Phyllis Marshall mentioned possibility of working with the USF Lecture Series if an appropriate speaker is scheduled. She will investigate and report back to the board.

Membership Chair Carolyn Reed noted that her committee will be reviewing the policies, procedures and application and will probably recommend some subtle shifts and changes. It has been suggested that Athena target women they want for membership and then go after them. This is a procedure that might be considered.

Margaret Miller reviewed with the board plans for the Retreat. Committee structure was discussed...decided that following are needed: Nominating, Young Women of Promise, Program and Hospitality. Sign-up sheets for these will be circulated at August meeting.

Board considered suggestion made several months ago that newsletter this year be utilized for educational as well as informational purposes. It was decided that forms will be made up for distribution at meetings. Members will be urged to submit information on topics of particular interest to women: legislative, financial, educational, etc. and to recommend books and articles of value.

Gayle Sierens - new member, new mother (Cameron Michael Martin, born July 11) - will be "roasted" on Thursday, September 29, in celebration of the Centre for Women's tenth anniversary. Donation is \$50 per person. Have a good time for a good cause!

Congratulations are in order for **Adelaide Few** who is celebrating the birth of her first grandchild: Kenneth Hunter McKay. Born to Terrin and Richard McKay on July 20, Hunter ("perfect and gorgeous") weighed in at a husky 8 lbs., 10 oz.!

Judi Breuggeman, who is now starting the Executive MBA program at USF, reports that her best summer experience was to help facilitate an Environmental Awareness workshop for youth leaders from throughout the Caribbean, hosted by Caribbean Conservation Association.

Athena members continue to make the news: **Sister Marie Celeste Sullivan** graces the cover of the August issue of Florida Business with an article focusing on her strength and business acumen as the administrator of St. Joseph's Hospital.

Betty Castor, Helen Gordon Davis, Adelaide Few and Pat Frank are quoted in the 8/16/88 edition of the St. Petersburg Times on the tradition of all-male private clubs. (And surely the rest of our members would have been happy to also contribute to that article!)

Elaine Shimberg reports her new booklet, **TEENAGE PREGNANCY: EXPLAINING THE FACTS**, has just been published. It is for junior and senior high school age students and can be ordered for \$3.95 plus postage by writing PPI Publishing, Box 335, Dayton, Ohio 45459-0335.

RECOMMENDED
READING

There are so many good books and articles vying for so little leisure reading time. As a service to other members, we'd like to encourage each of you who reads something you feel is really worthwhile to summarize for publication in the newsletter. President **Susan Bucklew** is launching this section, and we hope to have at least one such contribution each month.

THE SISTERHOOD: The True Story of the Women Who Changed the World by Marcia Cohen. Simon and Schuster. 445 pages. \$19.95.

This is a book you'll want to read. It chronicles the modern women's movement beginning in 1960. It's exciting and educational at the same time. For me, a college student in the early 1960's who was oblivious to what was happening in the world at that time, it filled gaps and provided a new perspective. It's full of stories - some thrilling, some sad - all interesting about Betty Friedan, Gloria Steinem, Germaine Greer and Kate Millett.

It provides the inside scoop on the birth of NOW, the defeat of the ERA, the invasion of the Oak Room in the Plaza Hotel in New York (an eating establishment with the same gender discrimination policy as the University Club) and many other events important to the women's movement.

I would loan it out, but I'm going to make my daughter read it first.

RECOMMENDED
READING

This month's book review is by Dore Beach.

The Type E Woman: How to Overcome the Stress of Being Everything to Everybody by Harriet B. Braiker, Ph.D. Dodd, Mead and Company, 274 pages. Available in hardcover and paperback.

If you are a woman who tries to be everything to everybody, this is a must read book because you have become a victim of your own success (sounds like most Athena members to me!). The author (a recovering Type E) is extremely qualified to address the subject. She received her Ph.D. in Social and Clinical Psychology from UCLA and subsequently worked for the Rand Corporation.

Included in the text is a Type E stress inventory to help you take stock of your ways of thinking about stress as well as your typical stress habits and patterns. Also included is a chapter with exercises and tactics for reducing Type E stress and building stress resistance.

The value of this book lies in the contribution it makes to the understanding of women's unique difficulties in adapting to the demands of a male-designed workplace.

READING

This month's book review is by **Suzy McClain**.

Cultural Literacy by E. D. Hirsch, Jr. Vintage Books
Division of Random House, 251 pages, \$6.95.

In his book Cultural Literacy, or What Every American Needs to Know, Professor Hirsch argues that children in the United States are being denied basic knowledge that would enable them to function in our contemporary society, that they lack cultural literacy: a grasp of background information that writers and speakers assume they have. It is his thesis that, even if a child has basic competence in the English language, he or she has little or no chance of entering the American mainstream unless he or she knows what a silicon chip is or when the Civil war was fought.

Professor Hirsch does more than lament; he tells exactly what the basics are and why it is necessary to get back to them. Cultural Literacy is "must" reading for anyone concerned with our future as a literate nation.

Test your cultural literacy. Can you put the following in context?

SUMMARY OF
BOARD MINUTES

Board met on February 25 at the Tampa Club. Present were Jan Abell, Lee Blanton, Diane Bostow, Susan Bucklew, Judy Breuggeman, Ann Giles, B. J. McConnell, Margaret Miller and Paddy Moses.

The informational brochure discussed at last month's meeting is in process of being up-dated and will be reprinted following induction of new members so that their names can be included.

Special Project (book on history of women) is still on schedule: publishing date set for April. Board unified on concern that all members meet assessment commitment and were pleased to hear that checks continue to trickle in. Those who have not paid within next few weeks will be contacted individually.

Diane Bostow expressed dissatisfaction with what she understood to be a cap on the membership as it relates to the new members now being considered. Following discussion, Margaret Miller made a motion (seconded by B. J. McConnell) "that the board reemphasize to the Membership Committee an absolute cap not be implemented but focus rather on the credentials of individuals allowing for flexibility in the number of new members"...passed. Diane also requested that the dues structure be reconsidered for those members who are unable to attend a large number of meetings during the year. She was assured that this issue would be addressed when the by-laws committee meets under the direction of President-Elect Susan Bucklew.

Date for the Retreat was set for July 16 and 17. The Safety Harbor Spa and the Don Cesar are being considered, are being checked for availability and suitability. A decision will be made at next board meeting following report from Eleanor Hubbard.

Young Women of Promise program, originally planned for April, has been re-scheduled for the May meeting. The extra time for coordinating was needed and board felt that May speaker (Board of Regents Chair) was very appropriate YWP recipients.

SUMMARY OF
BOARD MINUTES

Board met on January 28 at the Tampa Club. Present were Lee Blanton, Susan Bucklew, Phyllis Marshall, B. J. McConnell and Paddy Moses.

Report from the Special Project Committee noted that writing on the book will be finished by the latter part of February and it is expected to be published by mid-April. Lee Blanton will head up the distribution subcommittee working with the school system and local bookstores. The book assessment was discussed; decided that reminder letter would be sent to the small group of members who have yet to mail in their checks.

Membership VP Paddy Moses reported that almost 20 applications have been received. As was previously agreed, 10 new members will be selected with the possibility of 1 or 2 more. The committee will have opportunity to meet the candidates at a cocktail party on February 16 in Temple Terrace; a second one will be planned for the south side of town.

Lee Blanton reported on plans for Young Women of Promise. She will co-chair the April event with Connie Keppel.

BRIEF ITEMS: Retreat will be discussed at next board meeting. Discussed need for updating Athena's informational brochure which was designed about 5 years ago by Carol Dyches. A committee to work on the previously discussed project of re-structuring of board will be appointed prior to next meeting. Reviewed program for February meeting.

COMMENTS FROM
MEMBERSHIP VP

What is The Athena Society?

The Athena Society is a very strong women's network organization. Its membership is made up of influential, busy professional women. For that very reason we are loosely structured and have a paid administrator.

It's an organization which is viewed as a power group by the men as well as by other women. It is an organization in which a phone call works miracles. Often these phone calls involve just two or three people and mission is accomplished. Because so much support is given this way, many members never really know how much and how often it works until they have had a need themselves or hear a "story" over lunch or in conversation.

Maybe we need to share some of these stories openly every so often so we don't lose sight of what we are all about.

My investment in Athena has been returned a hundredfold. Which brings up another point...our annual fee. How many organizations do we belong to to support our community year in, year out---groups such as the Chamber, Junior League, BPW, etc.? Athena is another of those long-term commitments lending strength to the city and to its individual members.

As the February 1 deadline approaches for submitting membership applications, please consider women in classifications not currently represented as well as more minority women. Remember, we're all working for a stronger, even more effective Athena Society.

MEMBERSHIP
COMMITTEE
REPORT

The following report is from Membership Vice President Paddy Moses:

Athena will accept approximately 10 new members for the year 1988 with the deadline for receiving applications set for February 1. PLEASE make sure the app is properly filled out and that complete background information is submitted. Applications may be requested from me (872-7863) or Eleanor Hubbard (251-9172).

Areas to be considered for qualifying candidates are level of position of employment, sphere of influence, community involvement and level of support for women and women's issues.

The Membership Committee (Gabriele Faulkner, Linda Goldstein, Connie Keppel, Ann Ross, Carolyn Reed, Velma Thomas and alternate Barbara Romano) feels Athena should look at classifications not represented as well as at more minority women. This is simply a suggestion.

If you know of a qualified candidate but are not sure about sponsors, the Membership Committee can be of help. Please contact one of us.

SUMMARY OF
BOARD MINUTES

Board met on Thursday, October 29, at noon at the Tampa Club. Attending were Jan Abell, Lee Blanton, Susan Bucklew, Susan Casper, Ann Giles, Phyllis Marshall, B. J. McConnell, Margaret Miller and Paddy Moses.

It was reported that the Special Project (book on the history of women in Tampa Bay area) is progressing on schedule. Following research, it is now in the actual writing stage and will be ready for production about the first of Feb,; ready for distribution about the first of April.

Membership Chair Paddy Moses reported that her committee met on Monday and has determined that deadline for completed applications will be February 1. In reviewing the membership, it was noted that several professions are not represented (dentist, engineer, veterinarian, etc.) and committee suggested that a special effort might be made to seek women in these areas. Board discussed pro's and con's of an increasingly larger membership; consensus was that cap for 1988 should be "approximately" 10 members.

Phyllis Marshall read letter of request for funds to sponsor a specific play at the Tampa Bay Performing Arts Center November 5-8. Margaret Miller made motion that letter be written to group making request stating that we do not undertake any such sponsorships but will be happy to support them with our attendance; second by Susan Bucklew... passed.

Discussed holiday luncheon and program schedule for first quarter of 1988. Phyllis Marshall reported that the ad hoc by-laws committee has met and will present written recommendations concerning membership at next board meeting.

BOARD MINUTES

Board met on Thursday, June 25, 1987 at noon at the Tampa Club. Attending were Lee Blanton, Judy Breuggeman, Ann Giles, Phyllis Marshall and Paddy Moses.

Minutes of the previous meeting were approved as distributed.

Treasurer Ann Giles reported total funds on hand of \$9,242.16 of which \$6,000 are in a money market fund.

Plans for the retreat at the Longboat Key Club (August 8-9) were discussed. Because the program has not been solidified, information has not yet been mailed out requesting member reservations. The Club's deadline for accommodation deposits, however, is July 3. Based on previous years' attendance, it was decided that an Athena check for 8 suites (to house 24 people) should be forwarded by the 3rd. Additional commitments could be made later if required and available. Further discussion focused on retreat timetable and agenda. Latter will be determined primarily by Program VP Margaret Miller and her committee.

Ideas were exchanged on program possibilities for coming year and it was generally agreed that emphasis should be placed on getting to know each other and utilizing the talents of women in the organization. (Next week's program, for example, will feature Paddy Moses and Linda Albert.)

Phyllis Marshall reported that at the June dinner meeting a number of members indicated committee preference; sign-up sheets will be circulated again at the July luncheon. Alice Luckey will serve as Hospitality Chair. With mention of hospitality, question again posed about honoring new members. Consensus was that a function should be held in their honor in September but no specifics decided.

There was brief discussion on question of Athena structure (primarily leadership continuity) which will be on the retreat agenda. Concern was also voiced that membership mix be considered, i.e. not getting "top heavy" in any career category and need for attracting young women.

Eleanor Hubbard reported that 73 people attended 10th Anniversary dinner. Cost to the organization was \$143.12 with a hotel bill from Velma Frye (the entertainer) still to be received.

There being no further business, meeting adjourned at 1:25 p.m.

BOARD MINUTES

Board met on Thursday, July 30, 1987 at noon at the Tampa Club. Attending were Lee Blanton, Susan Bucklew, Judy Breuggeman, Phyllis Marshall, B. J. McConnell and Margaret Miller.

B. J. McConnelll made motion that minutes of previous meeting be approved as distributed; second by Lee Blanton...passed.

Treasurer's report showed total funds on hand of \$12,242. \$3,600 of this is from the book assessment. Following brief discussion, it was decided that on the reminder invoice to be mailed next week, members be notified that those who wish may pay half (\$50) now and the balance by January 1.

Board discussed rotation of meeting places for coming year and agreed to continue with meetings in the Westshore area, downtown and in USF area.

Program Chair Margaret Miller presented a tentative speaker schedule for the entire year. (Some have not been confirmed yet.) There was strong board support, and Judy Breuggeman made a motion that funds be approved to pay travel/accommodations for out-of-town speakers if necessary; second by Susan Bucklew...passed. Adjourned.

A truly fantastic "first" is in the future for our newly-elected president: The new University Center/Special Events Center at USF will be named the **Phyllis P. Marshall** Center upon Phyllis' retirement. A law stating that no building on a state campus can be named for a living person was recently amended by the state legislature. The amendment was the outcome of student urging and the resulting collaboration of (Athena member) Rep. Mary Figg with Sen. Dempsey Barron to effect the change. Construction on the building will begin in February, 1988 and is slated for opening 16 months later. Phyllis has been with USF for 27 years and currently has no plans for retirement.

B. J. Spoto-Russell will be leaving the Tampa area next week for what she terms a two-year sabbatical. Husband Don has agreed to head up the New York office of his firm for that period of time, so the family will be moving to Stamford, CT. She'll use the time for "personal enrichment", she says, by attending some training institutes, doing some writing and program development and simply enjoying the lovely Connecticut countryside. B.J., we'll miss you!

Already missed is **C. Jo Ford** who recently moved to Miami. C. Jo's enjoying the beaches and is working with a friend who owns a line of gourmet cooking supply shops.

Elaine Shimberg and husband Hinks last week received the (Individual Patron) Dean's Award for Outstanding Service to the Arts at USF. Long interested in the University, they established the Shimberg Scholarship 10 years ago for two incoming freshmen in the theatre department. They also were among the original founders of the Krewe of TheatreUSF, a support group.

BOARD MINUTES

The Board of Directors met on Wednesday, Jan. 28, at noon at the Tampa Club. Attending were Susan Bucklew, Terry Cone, Ruth Himes, Robin Krivanek, Susan Leisner, Phyllis Marshall, Nancy McDonald, Barbara Romano and Stella Thayer.

Minutes of the previous meeting were approved as distributed.

Treasurer Nancy McDonald reported that total funds on hand amount to \$15,946.51.

A financial report was made on the Christmas party; total cost to the organization was \$73.21.

Board reviewed the presentation made last month by Terry Cone who is spearheading the book on the history of women in the Tampa area. Last month Terry and Nancy Hewitt (consultant/adviser from USF) had submitted and reviewed a rough, recommended chapter outline, reporting that at that point enough data had been collected for a book approximately 130 pages in length on 8½ x 11" paper, complete with photos, documents, etc.

Following suggestions made: that the presentation be made to the general membership either at a meeting in the spring or at the retreat. Long discussion ensued as to how the books should be distributed. It was recommended that the books be pre-sold prior to actual publication. Susan Leisner, chairman of the Special Project, was asked to compile a list of possible recipients for the book, i.e. schools, libraries, etc. Terry noted that all recommendations will be considered by the book committee and a report then made to the board.

Membership Chair Susan Bucklew reviewed procedure for sponsorship of new members and noted that while no applications have been returned yet, many were requested. She is to receive them by January 30.

Again discussed the reception for Athena members who have attained positions which could be classified as "firsts." Phyllis Marshall made a motion that that event and celebration of the 10th anniversary of Athena be combined; second by Ruth Himes...passed. April mentioned as possibility. Hospitality Chairman Ruth Himes will made a recommendation at the next board meeting.

Meeting will be held on February 19 at Tampa Club to begin an excahnge of ideas on restructuring of Athena board. Updated directory in progress.

BOARD MINUTES

Board met on Wednesday, November 19, at noon at the Tampa Club. Attending were Terry Cone, Carol Dyches, Robin Krivanek, Susan Leisner, Phyllis Marshall, Paddy Moses, Barbara Romano and Stella Thayer. President Stella Thayer called the meeting to order, and minutes of the previous meeting approved.

Eleanor Hubbard reported that total funds on hand amount to \$16,810.67.

Discussion ensued regarding the membership directory and those members who have not yet paid their dues. Phyllis Marshall made a motion that they be eliminated from the directory; second by Terry Cone...passed.

The Athena policies drawn up by Judie Taggart and distributed at the last board meeting were brought up for discussion. Emphasis immediately settled on the membership policies and the need for fully informing the members of the accepted procedures for sponsoring new members. Several board members cited cases of misunderstanding and confusion in previous years and suggested the information be clarified and disseminated as soon as possible. A number of suggestions were discussed for making the sponsorship of new members easier and more efficient. Membership Chair Susan Bucklew will be asked to prepare such information for next newsletter. (See next page.)

Plans were briefly reviewed for the December luncheon to be held on the 4th at the Verandah Restaurant and the Christmas party to be held at Stella's home the following evening.

There being no further business, meeting was adjourned.

BOARD MINUTES

Board met on Wednesday, October 29, at noon at the Tampa Club. Attending were Susan Bucklew, Terry Cone, Carol Dyches, Susan Leisner, Phyllis Marshall and Stella Thayer. President Stella Thayer called meeting to order, and minutes of the previous meeting were approved.

Eleanor Hubbard reported that total funds on hand amount to \$17,960.73.

Susan Leisner reported that her (10th anniversary) committee hopes to pull together the research on women in the Tampa Bay Area by the end of December for review. In addition to the paid researcher, several master's students are participating on a volunteer basis. It was suggested that Nancy Hewitt (who is overseeing the project) be invited to the next board meeting.

Discussion ensued regarding dinner/dance which will be the official membership celebration to observe Athena's 10th anniversary. The hospitality committee, under the chairmanship of Ruth Himes, will select the date and make arrangements. Question posed: Should it be black tie?

Program Chair Carol Dyches reviewed dates of meetings for the remainder of the year and the program topic for each. Athena members will be hearing a "State of the City" address, a creative problem-solving session, an assessment of how women are faring in Tampa, etc.

BRIEF ITEMS: Updated directory will be ready for distribution in December...Christmas buffet will be held on December 5 at home of Stella Thayer...Thirteen members have not yet paid their dues and have been given deadline of November 15.

Board discussed suggestion that a reception be planned to recognize Athena members who have attained positions that could be classified as "firsts" in the community. Agreed; hospitality committee will be asked to plan and coordinate after first of the year.

Discussed request for mailing list/labels of Athena membership. It was decided that same could be provided for a fee of \$10 to members only. There being no further business, the meeting was adjourned at 1:27 p.m.

BOARD
MINUTES

Board met on Wednesday, September 24, at noon at the Tampa Club. Attending were Susan Bucklew, Phyllis Marshall, Nancy McDonald, Paddy Moses and Barbara Romano. President-Elect Phyllis Marshall called the meeting to order, and minutes of the previous meeting were approved.

Treasurer Nancy McDonald reported that total funds on hand amount to \$18,401.10. It was noted that 28 members have not yet paid the annual membership fee. A "past due" notice has been mailed to these members indicating a September 30th deadline. Eleanor Hubbard was instructed to mail out one more written reminder to those in arrears.

Next year's retreat was discussed and a date decided: Saturday and Sunday, August 8 and 9. It will be held at the Longboat Key Club (Sarasota). Eleanor Hubbard will investigate costs for bus or van transportation.

Susan Bucklew expressed appreciation for individual's support in her current position as a nominee for the newly created circuit judgeship but expressed concern regarding lack of a formalized telephone committee to alert all members when action is needed in other such situations. It was suggested that the topic be addressed at a future board meeting.

Paddy Moses asked for an exchange of ideas on a concept that she feels would have great merit: to structure the board of Athena so that at least 3 members would be committed to officer positions... be "in the chairs" so to speak. She feels this setup would offer a continuity not now present. Following discussion and a positive response from all in attendance, it was agreed that Paddy would begin investigating such a setup and provide some information after the first of the year. A committee could then be appointed if deemed desirable.

There being no further business, the meeting was adjourned at 1:25 p.m.

Board met on Wednesday, June 25, at the Tampa Club at noon. Attending were Susan Casper, Carol Dyches, Robin Krivanek, Susan Leisner, Phyllis Marshall, Nancy McDonald and Stella Thayer.

President Stella Thayer called the meeting to order and minutes of the previous meeting were approved.

Treasurer Nancy McDonald reported that total funds on hand amount to \$5,441.08. A discussion was then initiated concerning dues for the coming year. Following an exchange of ideas, Nancy McDonald made a motion that invoices be mailed to members for \$200 with notation that fee includes 11 meal meetings; second by Phyllis Marshall...passed. Fees would be due by August 31.

It was suggested, however, that since this subject was not discussed at the general meeting earlier this month - though written material was distributed - an article be included in the next issue of the newsletter with explanation for change. In this article, members should be given an opportunity to state any concerns they might have.

Carol Dyches reviewed for the board the tentative schedule for the Retreat to be held at the Sheraton Sand Key, July 19 and 20. The Saturday afternoon meeting will be held at the hotel while Sunday's session is slated for Stella Thayer's beach home following brunch at Carlouel Club.

Susan Leisner, Chairman of the 10th Anniversary Celebration, reported that research is going on for the historical book.

Stella noted that July general meeting has been cancelled because of the Retreat. Many felt that two meetings in one month was too much; the August meeting will be a reunion of the Young Women of Promise.

RETREAT REVIEW

Approximately 30 Athena members gathered over the July 19-20 weekend to "retreat" and enjoy each other's company.

Many issues of interest to members were discussed including the question of whether the prime orientation of this organization should remain networking or if some service projects should be undertaken. The overwhelming majority expressed strong support for networking for women in business and the professions. There was a recommendation for reorganization with a de-emphasis on committee involvement except for essential functions.

Date for next year's retreat will be set soon so you can begin making your plans.

NEW PAYMENT
PLAN FOR
ATHENA

At the recent business meeting, information was distributed concerning a new plan for payment of membership dues and luncheon fees. Invoices will be mailed for \$200 which will cover annual dues plus eleven (11) meal meetings.

This is advantageous to both membership and the Society. It permits members to pay in one lump sum thereby making business expenses easier to identify for tax purposes. Furthermore, members who are unable to attend many meetings will fulfill their obligation to the Society by this mechanism. For the organization, it provides working capital for better management. If this causes a serious hardship, please explain your situation to Stella Thayer at 223-2411.

TO BE VOTED UPON

Enclosed for your consideration is copy of proposed by-law changes. Please review these and bring your copy to the June 12 meeting.

FOUNDATION TO
BE DISCUSSED

Following is memo from Connie Keppel:

Athena members will be asked at the June meeting to discuss and vote on a proposal that was born of our Young Women of Promise program. This proposal was formulated to help lend a tangible rewarding purpose to our organization through the formation of a tax-exempt foundation. This foundation would have as its benefactors the selected Young Women of Promise.

Anticipated annual funding would come from the corporate community and be hopefully supplemented by voluntary contributions from the Athena membership. This particular proposal will create an image awareness of Athena in the community that will require a commitment from the membership to actively support and help fund this foundation. It is because of this total membership commitment that the program is being made available for review and discussion. (continued)

(continued

SPECIAL PROJECT

Also to be discussed will be various aspects of the 10-year anniversary celebration being handled by the Special Project Committee. Publishing of a proposed book will cost \$13-15,000, and the membership will vote on the financing of this venture.

BRIEFINGS

NEXT MEETING

PROGRAM: Young Women of Promise, 1986 Awards

WHEN: Thursday, May 8, 1986 NOON

WHERE: Ashley Plaza
111 West Fortune Street

COST: \$12.00

This year's winners and their sponsors will be guests of honor at our luncheon meeting. Nomination forms were mailed to all public and private high schools in Hillsborough County in an effort to recognize high school juniors with the following characteristics: ability to organize, ability to follow through on detail, academic achievement, attitude, creativity, commitment to others or to the community, leadership, ingenuity, indicated ability to accept responsibility, talent, etc.

HISTORY OF YWP

The following background report comes from Sandy Frye who was instrumental in initiating the YWP program:

"The YWP program was established in 1981 to identify high school juniors who had demonstrated exceptional achievement or potential. It could be in any one or several fields - academic, athletic, community service, performing or visual arts. In short, we were looking for a special sense of commitment which we believed would be characteristic of a notable woman in the future.

We drew up a list of guidelines which we enclosed with our letters of inquiry to school advisors. During the ensuing five years, we have identified 40 Young Women of Promise, not counting 1986 selections. They have ranged from a young dancer who joined the Joffrey Ballet in preference to entering Wellesley to twin National Merit Scholars who won scholarships to Georgia Tech to the 1982 winner of the Florida Orchestra's Young Performer Competition. The commonality among them appears to be the ability to visualize a project and then realize it."

Lee then outlined a mentor program which she is proposing as part of the Young Women of Promise project. Also as part of YWP, Connie Keppel outlined a possible scholarship program to be financed by the business community. According to Peggy Alison of the mayor's office, the boards listed below will need to fill vacancies in the month by which they are listed. Problem of frequent overcrowding at the Thursday Tampa Club Athena table was discussed. Attendance is encouraged...as are reservations. Decided that reminder in newsletter would be sufficient to alleviate problem.

Budget will be presented and settled at next board meeting.

Special Projects Chair Susan Leisner reported that work on the history (of TB women) book is progressing and that Mark Russell is available to speak. She questioned his ability to draw as he recently had been in Clearwater and had played to a less-than-full house.

BOARD
MINUTES

Board met on Wednesday, January 8, at noon at the Tampa Club. Attending were Barbara Romano, Susan Casper, Giny Crawford, Ann Giles, Phyllis Marshall, Cindy Sontag and Judie Taggart.

President Barbara Romano called the meeting to order, and minutes of the previous meeting were approved.

Susan Casper gave treasurer's report and presented a preliminary budget for 1985-86. She asked that it be studied and that she be called if there are questions or recommendations. Final budget will be presented next month when all figures are pulled together.

Regarding Summer 1985 Retreat: Though a deficit of \$47.00 will be realized, Cindy Sontag made a motion that bills not be sent to those who cancelled in advance; second by Susan Casper... passed. (Bills had not previously been sent because of personnel transition.)

Since newsletter shells are at point of re-order, Eleanor Hubbard was asked to investigate possibility of revised, expanded format. She will report at next meeting.

Membership brochure is being updated by PR Committee and should be ready for distribution by mid/late February.

PROGRAM AND
PARTY
CREDITS

"Thank you's" are in order for the entertaining December luncheon program under the direction of Chairman Phyllis Marshall. Ms. Claus (Elaine Shimberg) and her elves (Carol Dyches, Sandy Frye & Lee Leavengood) distributed newly-created paperweights to all members and presented "awards" to a special few.

Approximately 80 people attended the Christmas party held at Barbara Romano's home on Dec. 14 and according to many, it was "the best ever!" Aside from good company, the main attraction was the buffet table with delectable goodies prepared by the Hospitality Committee under the able leadership of Chairman Velma Thomas.
